COSTA BLANCA

## MANAGEMENT

Nick Copsey is the representative in Spain. A good friend for many years, Nick lives nearby and will be on hand to assist when help or advice is needed.

## CAR HIRE

In a car the beaches of Alicante, Benidorm or San Juan are all within a twenty minute drive. For those who seek peace and tranquility, the more obvious attractions of the nearby mountains are easily accessible. Although not essential, a car does broaden the horizons. If required, a hire car can be arranged for you on arrival at the airport. Alternatively, you may make your own arrangements either in this country or at Alicante airport. There is a bus service which runs along the N332 road, also a narrow gauge railway which runs from Alicante to Denia.

## TRAVEL BY: AIR

Flights to Alicante are available from most airports in the UK. The villa is just 25 minutes from Alicante airport. If help is required in securing flights, please ask.

## SEA

There are regular cross-channel sailings to French ports. Road routes from there to Alicante may be easily obtained from the AA or RAC. Ferries also sail to Santander, in north-west Spain. Travelling this way, a much shorter road journey to the villa is involved, although the ferry crossing is more expensive.
